Major Activities affecting case closing:

01/26/2018 It looks like the a decision will not be made by the IN Insurance Commission until the end of this year and if favorable to the debtor, litigation will likely follow.

03/22/2017 Special counsel advised that the parties are still in the process of submitting evidence to the Medical Review Panel. Due to the fact there are several defendants, they now expect this process to last through 2017. Only after all evidence is submitted, will the panel review the matter.

03/31/2016 sp co has advised the te that an opinion of the Medical Review Panel should be received by 07/19/16.

04/08/2015 Sp Co has advised the te that the parties are still in the process of selecting members of the Medical Review Panel. Presently there are no deadlines/conferences/hearings or trial dates set in either the Department of Insurance's claim or the Marion County Court case.

03/20/2015 Special counsel is continuing to pursue med-mal case, which is pending before the Indiana Dept of Insurance. To the best of trustee's knowledge, the case is still in the hands of the Department of Insurance medical panel with no decision as yet. Trustee wrote to special counsel three weeks ago for an update and has had no response to date.
